

# Physical Therapist – Midtown Manhattan

Full-Time | Therapy

## Build Your Career With Us

Are you a motivated Physical Therapist eager to grow, learn, and develop your career in a supportive environment? At **IPA Manhattan PT**, we are more than a clinic—we are a team that values mentorship, collaboration, and excellence in patient care.

We specialize in **Functional Manual Therapy™**, providing a comprehensive, patient-centered approach to rehabilitation. If you're looking for a place to refine your skills, gain advanced training, and be part of a practice that prioritizes relationships with both patients and colleagues, we'd love to meet you.

## Compensation & Benefits

- Competitive Salary: **\$85,000–\$100,000+** (based on experience)
- **\$5,000 sign-on bonus**
- Weekly **in-services** for continual learning
- Dedicated **one-on-one mentorship** with experienced clinicians
- Continuing Education reimbursement
- 401(k) opportunities
- Full-time position with autonomy, mentorship, and growth potential

---

## What You'll Do

As a Physical Therapist at IPA Manhattan PT, you will:

- Perform comprehensive evaluations addressing body mechanics, movement, posture, environment, and patient goals
- Develop individualized treatment plans to restore function, reduce pain, and improve long-term wellness

- Apply hands-on techniques to re-educate movement patterns and optimize performance
  - Communicate and collaborate with patients, caregivers, and healthcare team members to achieve meaningful outcomes
  - Track progress, adapt care plans, and support patients through their journey to recovery and beyond
- 

### What We're Looking For

- Licensed Physical Therapist (DPT or PT) in the state of **New York**
  - Strong interest in **manual therapy** and a desire for mentorship
  - Passion for building trusted, long-term patient relationships
  - Commitment to professional growth, collaboration, and delivering exceptional care
- 

### Why Join IPA Manhattan PT?

We offer more than just a job—we offer a **career home**. Our therapists enjoy:

- **Weekly in-services** that foster continual clinical growth
- **One-on-one mentoring** to help you build confidence and mastery
- A culture rooted in **learning, trust, and connection**
- A chance to grow into leadership or specialized roles
- A supportive environment where **your success matters as much as your patients'**

We are also committed to fostering **diversity, equity, and inclusion** and are proud to be an equal opportunity employer.
